

國際龍舟聯合會 INTERNATIONAL DRAGON BOAT FEDERATION

THE PATRONS' CLUB

The ***IDBF Patrons' Club*** is open to people and business based organisations (Corporate) who wish to support the IDBF by raising money specifically to help new and developing Countries enter the sport of Dragon Boat Racing and take part in IDBF International competitions.

All surplus funds from Membership or sponsors will go to the IDBF Development Fund specifically for the provision of Dragon Boats and Equipment.

At the moment the IDBF has Dragon Boats donated by our Boat Manufacturers but not the funds to cover the shipping costs to send them to places like Uganda, Senegal, Ghana, Chile, Costa Rica, Moldova and other Countries, who want to start Dragon Boating but don't have the equipment or finance or both, to start out great sport in their own areas. To cover such costs would be the first fund raising task of the *IDBF Patron's Club*.

But the IDBF is not asking you for "something for nothing". Up until now the IDBF Newsletter, Dragon Boat International has been produced as a PDF but from the New Year it will be published in hard copy - with the PDF being sent out as an abridged version only. All IDBF Patrons' Club Members will receive **as part of their Membership:-**

- * **A hard copy of every issue of DBI, currently published four times a year.**
- * **Free accreditation at IDBF World Championship Regattas (worth USD 10.00).**
- * **VIP Status and treatment at IDBF World Championship Regattas.**
- * **Discounted subscription to Dragon Boat World International Magazine.**
- * **Discounts on other publications and services offered by or through the IDBF.**
- * **A Certificate of Patronage.**

The annual membership fee for the *IDBF Patrons Club* will be USD 49.00 per person (Euro 35) and if you want to receive Dragon Boat World Magazine too, then just add USD 20.00 for a year's subscription and send a total of USD 69.00 (Euro 50.00) with you Patrons' Club Application Form. All money received from Membership Fees, after the deduction of DBI costs, will go to the IDBF Development Fund for the provision of Dragon Boats and Equipment.

In addition to individual membership, there will also be a Corporate Membership package for businesses that would like to support the development of the sport.

If you would like to become a Patron's Club Member or are interested in Corporate Membership, then drop an email to mikehaslam@aol.com and you will be sent an Membership Application Form or details of the Corporate package.

By the way - if you would like to receive a hard copy of DBI but don't want to join the IDBF Patron's Club, then the annual subscription will be USD 28.00.(Euro 20.00). Email mikehaslam@aol.com for a subscription form.
