ENJOY BARCELONA!

Barcelona is one of the most important tourist destinations in Europe, with millions of people visiting every year. The city is famous for its 19th century modernist architecture. The best known of those buildings, the unfinished church Sagrada Familia, symbol of the city, designed by Antonio Gaudí. Barcelona is also well known for the Olympic games in 1992 and for its tapas food as well.

DISCOVER CASTELLDEFELS AND THE BAIX LLOBREGAT AREA!

Boasting an enviable geographic location, the Baix Llobregat is little more than 15 minutes away by car from the city centre and its international airport. Sea, river and mountain give shape to this region. With more than 15 km of wide beaches, it also has the majestic Montserrat mountain. The modernista style, a symbol of the region, is well represented by the church built in Colònia Güell by Antoni Gaudí. Multiple options, surprising contrasts and continuous discoveries - you simply must visit Baix Llobregat.

Castelldefels is one of their most important towns, located about 20 km (12 mi) southwest of Barcelona and the El Prat de Llobregat Airport. This small town is famous for its long beach (more than 5 km), and for being the place of residence of many famous sportsmen (Messi, for instance), and for the ancient castle of Fels, which gave this town its name and dominates the coastline of the city.

CANAL OLÍMPIC, THE BEST VENUE!

The Canal Olímpic de Catalunya (in Castelldefels) was built for the 1992 Olympic Games. It's one of the best sport venues in Europe for kayaking and other water sports.
